Flight pass

Get online, inflight.

Whether you're flying for business or going on your dream vacation, you can stay connected.

This is your best choice if you're flying non-stop. Flight pass provides Internet access over the duration of a single flight. Please note that Internet is a satellite-based technology and will only become available once your aircraft reaches 10,000 feet altitude.

Please note streaming video sites, like Netflix, are not supported by WestJet Connect.

Mobile devices and tablets using either iOS or Android operating systems will need the latest version of the free WestJet app prior to boarding.

Don't have the WestJet app?

Download WestJet app prior to your flight.

1. Launch the App Store app on your device
